HOTEL & CASINO

The Riviera confirms plans for significant remodeling project:

Our new **Signature** Rooms are born as a result of a floor to ceiling renovation of the Monaco Tower (1,000 rooms), to include new bathrooms (entire tower will be non-smoking). Two mock rooms have been completed, furnishings and materials have been ordered, project will begin April 2008, the project timeline will be very aggressive with 30 rooms per week slated for remodel, at this pace the entire tower could be completed by October 2008. Remodel will include corridors and elevator landings. Suites will be remodeled once guestrooms are completed.

Renovations to be completed by December 2007:

- *Casino carpet replacement*
- *Casino ceiling paint*
- *Royale Ballroom carpet replacement*
- *Royale Ballroom ceiling paint*
- *All guestrooms, other than those located in the Monaco and Monte Carlo Towers will receive Euro beds, Flat screen plasma TV's, business/work desk, club chairs and ottomans, Ipod/MP3 alarm clock radios, new bathroom enhancements*
- *All new Sports Bar, with a sports book located within the bar*

As you can see the changes are significant, which enhances the appearance of the property and the appeal to our guests, while maintaining our highly competitive rate structure.
