---------------------------------------	--------------------------------------	---	--	---

Super Singles Playoffs Rules:

- IFP singles points will be used to determine your Singles rank.
- Winner of each event will qualify for Super Singles Playoffs; you can have only 1 spot in Super Singles Playoffs.
- If the same player wins multiple singles events then their playoff spot is determined by the highest event they win and they earn the payout for 2nd place in the lower event(s).
- Handicaps in the Super Singles playoff are determined by the event that a player wins, not by the player's ranking. For example, if an expert player wins Pro Singles, their handicap is 7 (Pro handicap), not 6, because he won the Pro event. Similarly, whoever wins Open Singles has a Pro Master handicap (8).
- Matches are 1 game, first player to their number (#) wins. See the number you play to in the bracket on the cover page of this flyer.
- If players have the same number (#) they play to 8.
- Player giving point spot will get the first drop. If opponents' number (#) is the same, then coin flip determines drop.

Additional Important Information:

- There will be a total of 128 players in this tournament across all 5 Rankings. After 128 players are signed up and entry fees are received, all brackets will be closed.
- Open Doubles, Open Singles, Pro Doubles, Pro Singles, Expert Doubles, and Expert Singles will be seeded; all other events are not.
- You **MUST** enter as a **TEAM** and play with the same partner in every bracket in this tournament for all doubles events.
- All Playoffs matches will have a Ref.
- Only package deals are available for this tournament.
- Lower rank players who partner with higher ranked players can only play doubles events for which the higher ranked player is eligible.
- Split ranked players must buy the package for the higher rank, but will be allowed to buy into eligible lower ranked events (\$30 per eligible event).
- Playoffs payouts will be made by check. \$10,000 guaranteed.
- You have to **Pre-Register and Pre-Pay** for your package to get a spot in each bracket, so **reserve your spot ASAP**.
- Payment has to be received **2 weeks** after reserving your spot; otherwise you will automatically go on the waiting list. Contact me to send your payment.
- Once I receive your payment I will lock you in all brackets where you qualify. **No Money Back**.
- Registration will close **1 week** prior to the tournament so we can create all brackets ahead of time and post them online.
- If you are flying in I will arrange a pickup for you, so let me know your flight information.
- 16 brand new Tornado T-3000 tables for the tournament and 12 will be on **SALE for \$1400 Cash & \$1440 Credit Card** after the tournament. **Contact me ASAP if you are interested in buying a table.**

Super Doubles Playoffs Rules:

- IFP doubles points will be used to determine your Doubles rank.
- Winner of each event will qualify for Super Doubles Playoffs; you can have only 1 spot in Super Doubles Playoffs.
- If the same team wins multiple doubles events then their playoff spot is determined by the highest event they win and they earn the payout for 2nd place in the lower event(s).
- Handicaps in the Super Doubles playoff are determined by the event that a team wins, not by the team's ranking. For example, if an expert team wins Pro Doubles, their handicap is 7 (Pro handicap), not 6, because they won the Pro event. Similarly, whoever wins Open Doubles has a Pro Master handicap (8).
- Matches are 1 game, first team to their number (#) wins. See the number you play to in the bracket on the cover page of this flyer.
- If teams have the same number (#) they play to 8.
- Team giving point spot will get the first drop. If opposing teams' number (#) is the same, then coin flip determines drop.
